IUDP	Master of Urban Administration and Planning	Master of Urban and Regional Development	Master of Sustainability and Environmental Policy
------	--	---	--

Welcome to Prior Notice Service of 2016 IUDP Master's Program Admission. This notice service aims at mid-career government officials who plan to apply for 2016 IUDP Master's Program Admission. This includes the email service of the latest admission schedule for 2016, and any updates of information regarding admission.

The International Urban Development Program (IUDP) offers three differentiated degree programs, namely Master of Urban Administration and Planning (MUAP), Master of Urban and Regional Development (MURD) and Master of Sustainability and Environmental Policy (Master's degree offered by MGLEP) which are entirely subscribed by mid-career government officials, respectively.

IUDP Program Information Application for Prior Notice Service For further information of each program, please click the banner at the left side of below. For application, please click the right one.
