

80th ISUS Urban Infra Forum

Wednesday, 17th May, 2023, 7:00 pm KST

Speaker

Prof. Kilkon Ko

(Graduate School of Public Administration, Seoul National University)

Topic

Policy process of Korean Government: the Case of COVID-19 Response

Summary

Korea The complexity of contemporary policies is increasingly deepening, and multiple participants, resources, knowledge, and technology are utilized in the policy process of problem definition, alternative search and decision-making, implementation, policy evaluation, and feedback. By examining the Korean government's policy process during the COVID-19 response, this lecture aims to discuss how policy complexity is manifested.
