KOICA-UOS Follow-up Training for Master's Degree in Urban and Regional Development (MURD)

An Urban and Regional Development Post-Master Retraining Program was conducted last January 20, 2019 to February 1, 2019 in Seoul, Republic of Korea, sponsored by Korea International Corporation Agency (KOICA) and ISUS, University of Seoul.

It was participated by thirteen (13) MURD Alumni from eleven (11) Countries.

The Program started with an Experience Share Presentations from the Alumni held last January 21, 2019. It was followed by a Course Module session designed for the Alumni.

On January 31, 2019, an Action Plan Presentation was conducted based on International Cooperation (IC) Clinic and a trainees report on the current status of knowledge application, held at International Conference Room (2F), Natural Science Building, UOS.

A completion ceremony was also steered on the same day for the success of the event, a certificate and souvenirs were given to the participants by both KOICA and UOS, it was attended by two (2) Program Managers from KOICA which gave a warm congratulation to the participants.

To conclude the entire Program a Farewell Dinner was held at Kukdo Hotel for the participants. On Feb. 1st (Fri), all the participants returned to their home country.

Thank you so much MURD-Alumnus for the shared knowledge and for always giving pride to the ISUS, till we meet again!

2019 MGLEP Follow-up Workshop

The UOS-ISUS facilitated the Masters for Future Global Leaders in Environmental Policy (MGLEP) Follow-up Workshop together with the Ministry of Environment and the National Institute of Environmental Human Resources Development (NIEHRD), last February 26, 2019 at The Central Park Hotel, Songdo, Incheon.

It was participated by the third and fourth batch of MGLEP students from three academic institutions.

ISUS MGLEP alumni from batch first and second were invited for the follow-up program.

MGLEP Batch 1

So Phea Neak (Cambodia)

Thi Hong Hieu Bui (Vietnam)

Professor Shin Lee, ISUS Vice Dean, act as a moderator and one of the discussant in the workshop

MGLEP Batch 2

Mohammad Al-Amin (Bangladesh)

Firman Maulana (Indonesia)

Sa Aung Thu (Myanmar)

Professor Shin Lee, ISUS Vice Dean, act as a moderator and one of the discussant in the workshop.

2019 MIPD Winter Internship

<ICAK Internship>

<KIND (site visit) Internship>

<KIND Internship>

The ISUS Master's Program for Infrastructure Planning and Development (MIPD), enhances its position as the research center for international cooperation in the area of urban science. With this, it facilitated the 2019 winter internship program for eighteen (18) students to twelve (12) different prestigious organizations:

organization / students name / country

1. ICAK (International Contractors Association in Korea) /

Laurent Patrice KALILI / Tanzania

Mukhammad-Ali Ibroimo'g'li MUSADINOV / Uzbekistan

2. KIND

(Korea Overseas Infrastructure & Urban Development Corporation) /

Ei Ei Khin / Myanmar

Resfaniarto Indraka / Indonesia

Dalila Afroze / Bangladesh

*Maria Fernanda Catalina Castaneda / Colombia

(* Masters for Global Leaders in Environmental Policy (MGLEP) Batch 4)

Thank you ICAK and KIND for the internship opportunity, learning sessions and continued support to the ISUS community.

Meeting with Myanmar Ambassador

Eiei Khin, an MIPD (Master's Program for Infrastructure Planning and Development) student from Myanmar, had a meeting with Myanmar Ambassador. The discussion focuses on Infrastructure Projects in Myanmar with collaboration and cooperation of Korea. The Infrastructure meeting hoped to strengthen the ties for both countries through ISUS.

Relocation of the ISUS Administration Office to the Law School Building

In conjunction to the relocation of the ISUS Professor's Office, the ISUS Administration Office will also move to Law School Building on the first week of March at room number 412 (4th floor), whilst the Professors Offices are located at the Fifth (5th) Floor of the said building.

For further inquiries and course related matters please visit 4th floor of Law School Building Room #412.

ISUS Global Construction Batches: Through the Years of Friendship

The 1st Batch of ISUS Masters for Global Construction congratulates the 5th Batch of MGC through a Friendship party for passing their thesis requirements, held at Professor Manhee Han's laboratory.

ISUS as a Global hub for infrastructure shows deeper connection between the graduates of Master in Global Construction not just in the international construction industry but domestic as well. Through the years of friendship form among the ISUS students the support amongst is a true gesture of ISUS.

The Interview at Global Knowledge Exchange and Development Center

Mayvibol Chet, an MIPD student from Cambodia, was interviewed during the conjunction activity of the International School of Urban Science (ISUS) and Global Knowledge Exchange and Development Center (GKEDC) as he introduced the “Capacity Building Workshop for ISUS of the University of Seoul”, held last February 15, 2019.

The purpose of the interview is to assess the applied knowledge during the conducted workshop by the institutions to developing countries, wherein Mayvibol Chet participated the said workshop.

Korean Home Visiting (from Sarin's Facebook)

ISUS- Korean Home Visiting Program is a gesture of hospitality from ISUS Korean Alumni to the international students especially during semester break. The alumnus will host a scheduled home and site visit that enhance the knowledge of international student through the actual site visit and more importantly experience a Korean culture with a typical Korean Family- the Alumnus family itself.

The Home Visit program is an experience worth remembering to every ISUS international student's journey in Seoul. Below is a statement of ISUS MGLEP 4th batch student, Sarinthip Kukham from Thailand, expressing her gratitude.

“Really thank you Mr. Ko Minh Hyuk for nice hospitality. We were enjoying and getting more experience in waste-energy incineration plant. Moreover, we had a good change of cooking Korean dish that was very fun activity”

The ISUS faculty and staff are in great thanks to the ISUS Korean Alumni for their continuous support.

Infrastructure Meeting for Cambodia

<Presentation>

<Discussion>

A collaboration meeting for Cambodia's infrastructure sector was held together with International Constructors Association of Korea (ICAK), Korean construction companies and ISUS MIPD Cambodian students Mayvibol Chet and Thida Kat, last February 21, 2019 at ASEAN-Korea Center.

Korea has been strongly engaged in Cambodia for the past years, the bilateral relationship between the two countries is stable wherein Cambodia is one of Korea's priority partner countries for development and co-operation. The Infrastructure meeting hoped to strengthen the ties for both countries through ISUS.

New Student Orientation for the Global Construction and Sustainable Urban Development Department

Twenty-Five (25) new Korean student for spring 2019 undergone the new student orientation for the ISUS Department of Global Construction and Sustainable Urban Development last February 11, 2019, the orientation was facilitated by ISUS Vice Dean, Professor Shin Lee and the ISUS Global Construction Department Head, Professor Chunho Yeom. The students were orient with the ISUS academic calendar, class registration and School Introduction.

To the new students, a new beginning awaits you with a great journey. Welcome to the ISUS family!

Welcome back to ISUS!
